

Support to ditch disposables

Changeworks will support you on your journey to reduce single use items, so ditching disposables doesn't have to be difficult.

To help support your business, there's the opportunity to get up to £150 towards implementing changes.

What could this help with?

There's lots of things you could get financial support towards. Here are just a few ideas of how this funding could support you with ditching disposables:

- Printing and designing new menus or signs
- Purchasing cups, boxes, cutlery, and bottles for sale or a deposit return scheme
- Purchasing refillable sauce bottles
- Purchasing napkin holders for tables
- Purchasing metal spoons to replace stirrers

For more information about getting funding towards implementing changes, or if you are unsure what you can use funding for, please get in touch via email at ditchingdisposables@changeworks.org.uk

Please note that all financial support is subject to application and funding conditions.
